

First Year Middle and High School Faith Formation Service Project (REVISED on April 1) (Due in class on Thursday, May 3 or Sunday, May 20)

Directions: This year you will dedicate a minimum of SIX hours to serving others. Ideally, some of your service should be performed at Good Shepherd or off site as part of a Good Shepherd Ministry. Please check the Teen Volunteer Opportunities Page on the Teen Faith Formation Page of the parish website, www.gs-cc.org, for ways to serve at the parish.

1. Each time you serve, fill in the service log on the next page and have it signed by your supervisor or a parent.
2. After completing your service, type your responses on a separate sheet to the reflection questions on the next page.
3. Make a creative poster that includes:
 - a. Service log
 - b. Responses to the reflection questions
 - c. A Bible passage that reflects something about your service
 - d. A photo or image that reflects something about your service
